SOURCE has heard of several diplomats of the Hungarian Government being interned here. Following information concerning an American held there was submitted.

II. PW's OBSERVATION IN TUISCHET:

SOURCE on several occasions talked to an American interned at TUISCHET. The American told him the following story: he was an American officer in the USAF. In Nov 1950 he was kidnapped by the Soviets in the Soviet Sector of VIENNA.

According to SOURCE the American was about 30 years of age, tall, blond hair, blue eyes. Limped badly and had to use crutches. He had either a burn or a birthmark on the right side of his face.

The American was held together with Russians and other nationals in the labor camp. He was treated very well by the Soviets and considered to be one of the prominent prisoners.
